

2019-2020 5th Grade Special Events Fee

Great News! Suwanee Elementary PTA is keeping it simple this year. We will be collecting a \$10 fee from all 5th grade students that will cover all 5th grade events throughout the year. Students won't have to pay for each event individually and will have their permission slip for these events already filled out. The 5th grade fee includes:

5th Grade Game Night
Refreshments at 5th Grade Graduation Ceremony
5th Grade Off Campus Celebration (includes games, inflatables, transportation and more)

Please note: the 5th grade field trip is covered by a separate fee. Donations of supplies may be requested for these and other events. Additional activities may be added at minimal cost based on parent interest.
